Re: Reciprocity Information

You may begin the Reciprocity process by downloading the initial application at www.nabp.net. After completing this form, send it to NABP with the \$300 fee. The information you provide on the application will be verified through NABP and assembled into an official application for reciprocity to Idaho.

After receiving the 'official' application from NABP, complete the required sections and mail it to the Board office with the \$300 fee (\$250 reciprocity fee, \$50 law exam fee). The official application will list an issue date on page one. You will have 90 days from the issue date to submit the application to the Board and a total of one year to complete licensure.

Idaho Code states that applicants, who have not *actively* engaged in the practice of pharmacy as a registered pharmacist during the year preceding the application's filing date, may be compelled to fulfill further requirements. If this applies to you contact the Board office for further information.

The Board of Pharmacy will mail notification of an application's acceptance. Once approved, you may contact our office to schedule a law exam. Exams are administered by appointment at the Board office in Boise during regular business hours. If necessary, we may be able to arrange a test in another part of the state.

An order form for the Idaho law book is attached.

After passing the law exam and prior to working in Idaho you will need to apply for a controlled substance registration. The fee is \$60 annually.

You may contact the Board office at 208/334-2356 if you need further information.
